

CMS CAH Swing Bed Requirements & Changes

March 16, 2023

12:00—2:00 pm

Webinar

This webinar will focus on the November 2019 swing bed requirements and changes made by CMS. The swing bed regulation is in Appendix W for Critical Access Hospitals, but the interpretive guidelines and survey procedures are under Appendix PP. Many CAHs are not aware of the changes or are still struggling to comply. It is challenging to figure out what the interpretive guidelines and survey procedure as there is there was no crosswalk between Appendix W – for CAH – and Appendix PP – Long Term Care.

This webinar was created to assist hospitals in understanding what needs to be done. Hospitals had seen a significant increase in survey activity by CMS along with an increased number of deficiencies pre-COVID-19. Common deficiencies and how to avoid them will be discussed. Information on how to locate the CAH manual and other resources will be discussed. There will also be a discussion of the 1135 Waivers available to Critical Access Hospitals with Swing Beds.

Learning Objectives:

- Discuss that CMS made some recent changes to the protocol process
- Recall that CMS has rewritten the entire section on swing beds
- Describe what is required by CMS to be in the resident assessment which is done to do the care plan
- Recall the CMS requirements on patient activities of swing bed patients

Who Should Attend: CAH Staff: CEO's, COO, CFO's, Nurse Executives & Management, Pharmacy, HIM, Quality, Risk, Social Workers & Discharge Planners, Infection Control/Prevention & Employee Health, Radiology, ED/Trauma, Rehabilitation/Therapies, Surgery/Anesthesia, Dietitians/Dietary Managers, Activities for Swing Bed, and other Critical Access Hospital staff.

Instructor: Nash Healthcare Consulting Trainer
