

Radiation Safety Officer Training

June 15, 2023

9:00 am - 3:30 pm

Meeker Memorial Hospital & Clinics
612 South Sibley Avenue
Litchfield, MN

Description: This program will cover Radiation Safety Officer Training required by Minnesota Department of Health Radiation Control Unit. This is for small hospitals and clinics with mobile or no Nuclear Medicine or PET coverage. There is a strong need for RSO training in the Rural Health Clinics and Critical Access Hospitals in Minnesota in order to meet the MDH qualifications for RSO .

Learning Objectives:

- Radiation Safety
- ALARA
- MDH Requirements
- RSO Designation
- Developing a Strong Radiation Safety Program
- Policies/Procedures
- Employee Certification & Training
- Survey Readiness

Who Should Attend: Imaging department personnel or individuals who have or anticipate having the responsibility of RSO activities.

Instructor: Lynn Juell ARRT RT M CT

Continuing Education: Contact Hours: 6.0

Approved by ASRT. It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.
