

Medical Forensic Training Program

August 22nd, 2024

9 am - 1 pm

Webinar

This 4-hour course will be an overview of the medical forensic sexual assault exam. The presentation covers the legal considerations, evidence collection, packing the sexual assault kit, documentation, injury identification, reporting to law enforcement, restricted and unrestricted kit storage, prophylaxis medications and tips for taking a medicolegal history from the patient. The presentation is designed to increase nurses' confidence and competence when conducting medical forensic exams and to improve the quality of care for patients that have experienced sexual violence.

Objectives:

- Describe Trauma Informed Patient Care and interviewing techniques.
- List the types and techniques for collecting and packaging evidence.
- Describe genital anatomy and identification of injuries related to sexual assault.
- Discuss STI and pregnancy prophylaxis following sexual assault.
- Describe options for reporting a sexual assault to law enforcement.

Who Should Attend: Registered Nurses

Presenter: Linda Walther, Clinical Coordinator for the Statewide Medical Forensic Policy Program

Continuing Education: Clock Hours: 4.0

This workshop is designed to meet the continuing education requirements for the MN Board of Nursing. It is the responsibility of the nurse to determine whether these activities meet the current criteria for continuing education.
