

## Dementia Care: Speech-Language Pathologist

March 25, 2025

12:00 - 2:00 pm

Webinar

### Description

Participants will learn how they can change what they say and how they say it to tame reactions, lower frustrations, improve function and maintain quality of life in people living with dementia.

### Key Learning Objectives:

1. Learn communication & interaction strategies to reduce challenging reactions.
2. Understand how visual processing changes in dementia affect function.
3. Learn how to compensate for visual processing challenges.

**Who Should Attend:** Anyone in healthcare that works with Dementia patients

**Instructor:** Gretchen Reeves, Reeves Dementia Care & Consulting, LLC

**Continuing Education:** Contact Hours: 2.0

*This workshop is designed to meet the continuing education requirements for the MN Board of Nursing, pending social work and MN BELTS&S. It is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.*

### Registration Fees

**Medi-Sota Members: \$50/facility**

**Non-Medi-Sota Members: \$75/Person**
