

“Don’t You Remember, I Just Told You That?”

October 8th , 2024

Webinar

11:00 am- 1:00 pm

Description

Education for professional care givers to assist them in optimizing their communication and interactions with people living with dementia.

Key Learning Objectives:

1. Difference between dementia and Alzheimer’s disease
2. Types of dementia and brain functions affected in dementia
3. Using the Retrogenesis Theory to care for people living with dementia.
4. Basic communication strategies for interactions
5. How to approach and begin cares.

Who Should Attend: Personnel who communicate and interact with people living with dementia in medical facilities.

Instructor: Gretchen Reeves, Speech-Language Pathologist, Reeves Dementia Care & Consulting, LLC

Continuing Education: Contact Hours: 2.0

This workshop is designed to meet the continuing education requirements for the MN Board of Nursing & MN Board of Social Work. it is the responsibility of the attendee to determine whether these activities meet the current criteria for continuing education.
